If you are interested in scuba diving, this is the perfect summer activity for you. Come and join our Discover SCUBA & Bubblemaker program and your PADI dive instructor will teach you some basic skills before guiding you to swim underwater with SCUBA equipment. It's very cool and good fun blowing bubbles underwater. Bring along your friends and let's scuba. We will also take cool underwater pics for you to show your friends.

Note: participants must be a competent swimmer . A PADI Liability Release form must be filled before the lesson starts.
