

# Children's Art Class

## Mixed Media Art and Drawing & Sketching

### Mixed Media Art Class 3-5 years old

*Creating art at this age will be a world of discovery. Children will be introduced to different techniques such as painting, printing, collage, clay modelling. Fun projects that engage and inspire children to become little artists.*

**Sat 10:00am-11:00am**

### Mixed Media Art Class 6-9 years old

*These art classes allow your child to explore further through a range of exciting themes and art materials. We'll have topics such as character design, world cultures, environment, space, picture books & comics.*

**Sat 11:00am-12:00pm**

### Drawing & Sketching 6-15 years old

*Through fun & engaging themes, students can develop their artist voices in sketchbooks. Activities are designed to get students creative juices flowing, to challenge them to try something new and to show off their natural talent. Topics include illustration, expressive art, collages, character design, picture bookmaking and hand lettering.*

**Sat 12:00pm-1:00pm**

A wide range of materials will be provided for in the class. Such as paint brushes, collage, clay & paper-mâché, paint & pastels, printmaking, basic sets of Gouache or poster paints and colored pencils. Art is fun. Spaces are limited, sign up now.
